

„I am Energy. You too?“

Xiaofang W., seit 2018 bei Trianel

**OUR RISK MANAGEMENT TEAM IS LOOKING FOR CANDIDATES FOR
THE POSITION AT OUR LOCATION IN AACHEN.**

(Senior) Risk Manager | Methods & Models (m/f/d)

Your role – Your energy makes the difference

Conceptual work – Modelling of various risk types; maintenance, calibration, and further development of "tailor-made" methods and models for valuation and risk measurement; ensuring operational processes related to risk tools

Collaboration – Conducting complex analyses in day-to-day operations, both as part of a teamwork or autonomously such as for presentation within the team/company

Your profile – Your unique qualities will take you further

Qualification – Successfully completed studies in (business) mathematics, (business) informatics, or physics

Expertise – Solid programming skills in python, experience in working with large datasets and their analysis, as well as presenting the resulting analyses

Personality – Quick comprehension, strong analytical thinking, structured working approach, strong communication skills, and team spirit

Bonus – Experience in developing methods and models for risk assessment and measurement, knowledge of the energy industry

Our offer – We value your energy

Team spirit – Open company culture with regular events

Flexibility – Trust-based working hours and the option to work remotely

Growth – Excellent development opportunities in a future-oriented business

Health – Corporate health management, gym membership, JobRad (bike leasing), Viva Familien Service

Family – Daycare subsidy, parent-child office

Are you energized? Then apply!

Become part of our open corporate culture in the midst of a fast-growing and dynamic environment and shape the transition to renewable energy with your knowhow. Simply apply for this position via our application portal.

For preliminary information, please contact Simone Jäger (phone: +49 (0)241 413 20-136).

We are looking forward to your application!
