

„I am Energy. Are you?“

Narcisse N., with Trianel since 2017

**OUR TRADING DEPARTMENT IS LOOKING FOR A CANDIDATE FOR
THIS POSITION AT OUR LOCATION IN AACHEN:**

Senior Trader | Gas (m/f/d)

Your role – Your energy makes the difference

Professional work – Development and implementation of cutting-edge trading ideas and strategies to maximise profitability and knowledge sharing within the trading team

Collaboration – Cross-functional work with internal departments, including Credit, Risk, Back Office and IT to ensure seamless operations and optimal trade execution

Continuous improvement – Run a profitable proprietary trading book and improve models and forecasting in coordination with the analysis team

Your profile – Your unique qualities will take you further

Qualification – Successfully completed Master's degree in economics, engineering, mathematics or similar

Expertise – Several years of professional experience in energy trading with focus on gas, experience in analysing prices and fundamental data of the energy markets

Personality – Quick comprehension, strong analytical thinking, structured working approach, strong communication skills in English, and team spirit

Our offer – We value your energy

Team spirit – Open company culture with regular events

Flexibility – Trust-based working hours and the option to work remotely

Growth – Excellent development opportunities in a future-oriented business

Health – Corporate health management, gym membership, JobRad (bike leasing), Viva Familien Service

Family – Daycare subsidy, parent-child office

Are you energized? Then apply!

Become part of our open corporate culture in the midst of a fast-growing and dynamic environment and shape the transition to renewable energy with your know-how. Simply apply for this position via our application portal.

For preliminary information, please contact Dennis Bartjens (phone: +49 (0)241 413 20-253).

We are looking forward to your application!

Trianel GmbH | Human Resources | Krefelder Straße 203, D-52070 Aachen
